Cleanings and Exams in Westborough, MA

Routine Dental Care That Keeps Your Smile Healthy

At **Westborough Dentistree**, we believe excellent oral health starts with regular cleanings and dental examinations. These essential preventive visits help protect your teeth and gums, reduce the risk of future dental problems, and support your overall wellness.

If you're looking for a **trusted dentist in Westborough, MA**, our team provides gentle, thorough, and patient-focused preventive care for every age.

Why Are Regular Cleanings and Exams Important?

Scheduling a **professional dental cleaning in Westborough** every six months helps to:

- Remove plaque and tartar buildup
- Prevent cavities and gum disease
- Detect dental issues early—before they become serious
- Maintain fresh breath and a brighter smile
- Support overall health, including heart and immune health
- Screen for oral cancer and bone loss

Even when your teeth feel healthy, routine exams allow your **Westborough MA dentist** to identify concerns that may not yet be visible or painful.

What to Expect During Your Cleaning & Exam Appointment

Professional Dental Cleaning

Your visit includes:

- Gentle plaque and tartar removal
- Tooth polishing for a smooth, clean finish
- Thorough flossing
- Fluoride treatment when recommended

Our experienced hygienists use modern tools and gentle techniques to ensure a comfortable experience.

Comprehensive Dental Exam

During your exam, your **dentist in Westborough, MA** will:

- Check for cavities and gum disease
- Evaluate your bite and jaw alignment
- Screen for oral cancer and TMJ concerns
- Discuss any dental changes or discomfort

We also provide personalized guidance to improve your daily oral hygiene routine.

Digital X-Rays (When Needed)

- Low-radiation, high-definition imaging
- Helps detect decay, infections, and bone loss
- Typically recommended once per year

Who Should Get Routine Cleanings and Exams?

- **Children:** Begin dental visits by age one or when the first tooth appears
- **Teens & Adults:** Every six months
- **Seniors:** Ongoing preventive care for oral and systemic health

If it's been a while since your last visit, don't worry—our team offers **judgment-free dental care** and welcomes you back with compassion.
